**I** used to think I'd never want to leave home, but now that I'm all grown up I can't wait to get out of here! I just want some privacy, you know? Like last night, I was in bed fucking myself with my vibrator when my mom barged in. Holy fuck! I freaked because I thought maybe she'd heard me, but she was just saying goodnight, whew! Of course, as soon as she was gone I was vibing away again—after I'd locked the door, I mean!

There's no  
place like home...  
except when  
you're horny  
and need  
to be alone!

**All the girls in my class think I'm an uppity bitch, but they're just jealous 'cause I snagged our class president. And they don't even know the good stuff; like that he spends hours licking me, until his face is all shiny with my pussy juice! Or, that sometimes he'll bury his tongue in my ass crack and fuck my butt with it while he diddles my clit. Man, that makes me cum until I scream! Those stupid little schoolgirls would hate me even more if they knew that!**

## MATH LESSONS

Who cares what X equals, anyway? But when my dad found out I wouldn't graduate if I flunked senior algebra, he went and hired some geeky senior math nerd student to tutor me. Boy, was I surprised when Peter showed up that first night! Tall, muscles, tight t-shirt and jeans. And his ass! Omigod! Can you believe my dad left us alone at the kitchen table? Just looking at him had me creaming my panties. I'm sure he noticed how hard my nips were when I snuggled up against his arm while he explained the problems. He tried to keep his distance at first, but pretty soon his fingers were tracing the hem of my short skirt.

"You want me to touch you, Suzee?" he asked softly. "You want my fingers in your pussy?"

I blushed and my pussy just started throbbing! I couldn't answer, but my thighs slid wider apart.

"Do this problem right, and I will."

Fuck! I didn't want to think about math, but I tried. He kept teasing my inner thighs, and by the time I finished the problem I was squirming.

"Is it right?" I asked. Please let it be right! He nodded, and his hand slid up my skirt and closed over my pussy. My legs were wide open so he could touch me however he wanted, but he just teased me through my panties.

"I bet you're a wet little thing, aren't you, Suzee? Do another and maybe I'll find out just how wet."

I could hardly breathe, and he wanted me to think?! I did it, though, and pretty soon his fingers were under my panties, touching my bare pussy and clit, teasing my opening. I'd never been touched like that before, only over my clothes! I was squirming and making all these soft little sounds, and I sure hoped my dad didn't come in to check on us.

We spent an hour like that, Peter rewarding me for every right answer by teasing my pussy, circling my clit, even teasing my tight little ass with a wet fingertip. I can't believe he touched me there! But it felt so good, I just wanted more and more.

Finally, we got to the last problem, and when I got that one right, he slide one of those long fingers deep into my tight virgin pussy and pressed his thumb on my clit, and I went off like a rocket! I've never come so hard in my life as I did with Peter finger-fucking me so good and deep. When he finally stopped, I was just shuddering and shivering and whimpering like a little girl. He pulled his hand out from under my skirt and his fingers were so wet I just blushed some more. He gathered up his things and left, then, and now I can barely wait until our next tutoring session. If I'd know having a tutor was this much fun, I'd have flunked algebra a long time ago!

## SLICK AND SEXY

I've always been kind of an exhibitionist. My best friend says I'm a tease, but I don't think so. Let me give you an example and you can decide.

I have this neighbor, Mr. Baird. He's old, like 30 or something, but he's kind of cute. One day, I was sunbathing nude in my backyard and he was next door mowing his lawn and stuff. I was rubbing suntan oil on my skin, and well, I sort of got carried away. It feels good, you know? My hands sliding through all that warm, slippery oil, spreading it over my tits, my belly, between my thighs. Can't have those sensitive areas getting sunburned, right?

Anyway, I started touching myself, teasing my clit with my oily fingertips, sliding them in and out of my pussy, even teasing that naughty little hole behind. My eyes were closed and I was just sort of touching and enjoying, getting more and more turned on, when suddenly I realized I couldn't hear the mower anymore! I knew if he came right up to the fence, he'd be able to see me, so I sort of opened my eyes just enough to look through my lashes and sure enough, there he was, right up against the fence, watching me. I looked right at his face while I touched myself, sliding first one finger, then two into my tight, shaved little cunny. My hips were sort of lifting up to meet my hand, my butt clenching, the oil mixing with sweat and girl juices, running down my thighs. I wriggled around a bit, trying to make it look natural, until I was aimed right at him, letting him see everything right between my legs as I frigged myself. I wondered if he was jacking off while he watched me, and that just turned me on all the more.

I couldn't help the soft little moans and whimpers as I got close to coming. It was hard to keep my thighs apart, but I wanted him to see everything, especially when I squeezed one more finger into my pussy. It was very tight but it went in kind of easy with all the oil and wetness.

I didn't realize at first that my eyes were wide open and looking right at him, but suddenly realizing he knew I knew he was watching was all it took to push me right over the edge. I arched on my towel, hips up, thighs wide apart, fingers thrusting in and out of my pussy and just screamed as I came and came! When I was able to think again, I was curled up on my side, my hand clamped between my thighs and he was gone. But I know he saw, and I think he liked it. I know I did! I can't wait to do it again! So, what do you think? Does that make me a tease, or just a hungry little 18-year-old who likes to be watched?

**W**anna know what I fantasize about when I do myself? It's really dirty, but it makes me so horny! See, I imagine I'm on this bed while this dude is fucking me from behind. There are these guys around the bed watching and they're, like, cheering us on while they jack off. They're yelling stuff like, "Do her harder!" and, "Make her cum!" and their cocks are way hard! Then they start spraying me with jizz and I cum like crazy!

hen I turned 18, my mama said, "Baby, you got a face like a hooker and nice big boobies; you gonna be doin' it in no time." But I told her I ain't gonna get preggers, and I ain't gettin' hitched, either. Instead, I'm just gonna use what I got. See, I've done a lot of guys, but that's cool 'cause then they take me out and give me money and stuff. And I'll tell you what, my mama ain't seein' none of that cash; I'm gonna save it all for college!

Nothing's

**T**wo guys have already tried to get into my pussy and I'm only just turned 18, can you believe it? But no way, I'm not going to let some dumb high school guy in there. I'm going to stay pure as the driven snow until my wedding night. As a matter of fact, I won't even put my own fingers up my pussy. It'd be like popping my own cherry, you know? And this way I know I'll be a real virgin when I get married!

# Natally & Ariel

I met Nattaly online and at first we were just friends. But after she got her first place (and her parents weren't breathing down her neck anymore!) she started looking up porn online and sending me the links. Man, they were dirty, like buttfucking and stuff. But they totally made me horny and pretty soon Nattaly and I were doing cybersex! But that's not all. When we finally got together, well, we couldn't keep our hands off each other. So I ended up doing some buttfucking (with my tongue and fingers!) of my own! Yum!

# Senior Scrapbook

**I** had a real big problem and it was all because of my American History teacher, Mrs. Bartlett. When she handed out the final term paper assignments and I saw that mine was on the sexual revolution of the 1960s, I wanted to die! How ironic that the only remaining virgin in the entire senior class should have to write a report on the history of fucking! I didn't have a clue where to begin, and if I didn't ace this paper, I wouldn't be able to graduate. Then my mom suggested that I visit an old friend of hers named Sledge who had actually lived through the whole event. Mom refused to elaborate on her relationship with this guy, but she claimed that he could provide a personal background that would guarantee me an A, so I braided my long brown hair into a ponytail, slipped into my nicest blouse and best denim mini skirt, and hopped the bus over to the address my mother gave me.

It took me the longest time to get anybody to answer. I knocked and knocked. Finally, I heard someone yell out and I cautiously entered the apartment. "Make yourself at home! I'll...I'll be right there!" the voice bellowed from somewhere down the hallway off the living room. What a dump! If I hadn't needed that passing grade, I would have turned around and left. Clutching my dog-eared spiral notebook close to my small bosom, I settled my butt onto the dilapidated sofa and tried to figure out what was causing the strange noises I heard echoing throughout the cramped apartment. Suddenly, the creaks and groans and high-pitched cries battering my eardrums made sense. Sledge was having sex with someone—right there while I sat in his living room! How rude! And yet, I couldn't stop listening. I had never heard anyone actually doing it before and it made me feel funny all over. My puffy, pink nipples quickly blossomed inside the cups of my white cotton bra and a layer of sticky moisture gushed beyond the leg bands of my panties to coat the insides of my thighs. I was about to sneak one hand down into my undies to rub my cunt when the raunchy noises abruptly stopped. Everything grew quiet except for the faint creaking of floorboards somewhere off in the distance. Embarrassed, I lowered my gaze to study my tiny, sneakered feet.

"Hey! I'm Sledge! Who are you?" a raspy voice said.

I looked up to see a tall, skinny man with long, thinning hair that sprang out around his head in a tangled mass of wiry waves. He was bare-chested, and his faded jeans, carelessly unbuttoned, hung loosely around his

non-existent waist.

"Keri! Keri Walker!" I peeped, trying to ignore the obvious bulge tenting his grimy crotch area. "My mom's Andrea Walker. She said that you might be able to help me with my term paper."

"Oh, Andrea! Yeah! The sexual revolution, right? Cool! What do you want to know?"

"Yeah! Whatever you need, Sledge is your man, honey," a husky, female voice said.

Turning slightly, I saw a tall woman wearing nothing except a pair of faded blue bikini panties stride into the room. I grinned stupidly, and gulped out loud. Sledge's gal pal, who appeared to be in her early forties, was gorgeous. Her shoulder-length, chestnut-colored hair hung freely down around her aristocratic face in a mass of unruly ringlets that fell gracefully across the upper slopes of her full, red-tipped breasts which floated buoyantly above the slight curve of her tummy. Those breasts were a stark contrast to my own b-sized, undeveloped mosquito bites, and yet, fit in nicely with the firm, round swell of her hips and the sinewy contours of her ultra long legs.

"I'm Rose," she said, flashing me a friendly smile, as she floated down beside me on the couch. "Nice to meet you, Keri."

I nodded and locked my knees together, convinced that Sledge was trying to peek up my skirt. Before I could think of anything else to say, Sledge launched into a weird monologue of recollections that left me shocked, bewil-

dered, and aroused. According to Sledge, the sexual revolution had been about young people screwing whomever they wanted, whenever they wanted!

"What Sledge means, honey," Rose said, casually slipping her arm around my shoulders, "is that guys and chicks in those days did that kind of kinky shit so that 21 century cuties like you would have the freedom to suck and fuck all the time! Got it?"

"No!" I peeped, frantically shaking my head.

Rose gasped and sat upright. "You...do...fuck? Don't you, Keri?"

Folding my arms, I bowed my head in shame.

"Holy shit! A virgin!" Sledge chuckled. "But...how?"

"I think she's just shy!" Rose interjected.

"Is that the problem?" Sledge exclaimed. "Hell! We can take care of that!"

**HIPPIE  
LOVE!**

"Sledge is right, Keri. We can show you how," Rose whispered. "If you want." My head was spinning, making it impossible to think straight. I was turned on, that's for sure, and Sledge was kind of cute, but I was sort of confused about what Rose had to do with it. "Well...a....maybe...I..."

That's when Sledge leaned over to kiss me. His lips were gentle, yet persistent, like his hands, which were everywhere. He broke away only once, to skim my top up over my head while Rose slyly unsnapped my bra and remove my skirt. Everything was happening super fast! But it felt so good that I just melted in their joint embrace. The instant Sledge ducked down to suckle on one of my marshmallowy nips, Rose's full, moist, lips covered mine, and for some reason I still can't explain, I boldly stabbed my tongue into her waiting mouth. Then I heard the unmistakable thud of grungy denims hitting the floor and the sensation of something incredibly hard and incredibly thick being placed in my hand. Afraid to look, I waited until Rose swooped around to take her boyfriend's place on my tits before peering over her head to confirm that I was holding Sledge's raging penis. What a monster! The foot-long, tubular meatslab currently throbbing in the tunnel of my small, curled fingers reminded me of a fleshy battering ram held together by a bunch of intertwining veins, capped by a chubby, purplish crown that oozed a steady stream of clear fluid.

"That feels fantastic, Keri," Sledge groaned, as I timidly stroked his thing. "Why don't you suck it?"

Even though I wanted to try, I couldn't imagine being able to fit something that large in my mouth. Rose offered to give me a demonstration. Guiding me to my knees, she placed my right hand under Sledge's dangling, wrinkled testicles, then wrapped her satiny lips over his chunky tip and slowly siphoned most of her boyfriend's enormous prick into her mouth. It was awesome! I couldn't believe what I was seeing! I almost fainted when Sledge jacked his angular backside, sending the remainder of his staff crashing down Rose's throat. Watching Rose bob easily on Sledge's steely shaft was really making my pussy wet. By the time he yanked his throbbing pecker out of Rose's suctioning mouth, and lewdly poked it into my cheek, my panties were soaked. I cautiously got a flimsy grip on his rigid member and stretched my jaws wide. The minute Sledge's oversized schlong slewed onto my flattened tongue Rose braced the back of my head with one hand, and slid the other down between my legs. His plum-shaped dobber skidded upward, grazed the roof of my mouth, and bumped into my tonsils, temporarily forcing the air from my lungs. It was a bit scary. My eyes were watering, my cheeks were beet red, and a stream of spittle hung off my lower lip, but I didn't want to stop. Rose's dancing fingers were working me into a sexual frenzy that increased my desire to taste the older man's spunk. Taking a shallow breath, I got a better grip on his thick, throbbing base, and impulsively siphoned his entire rod down my throat.

"Yeah! That's it!" Sledge bellowed, grabbing hold of my flying ponytails. "Faster, Keri! Faster!"

Suppressing my gag reflex, I fell into a natural rhythm that countered Sledge's lurching loins, gradually increased the vacuum around his rapidly expanding whopper until the aging hippie let out a long, drawn-out groan, and spewed a geyser of semen into my compressed mouth. I instinctively began gulping in order to catch every drop of his salty goop, and when he finally stumbled backwards I folded against Rose's plush body.

"Man! Great BJ, Keri!" Sledge wheezed.

Basking in his praise, I smiled up at him. I was very proud of myself. I had sucked a cock all the way, and swallowed my first load of jizz! Now I figured I was as trashy as any of the girls on the cheerleading squad - almost anyway.

"Want to play some more, sugar?" Rose asked, lightly kissing my forehead. "Sure!" I peeped, hoarsely.

At this point I was so horny that I couldn't wait to get my cherry popped. In a flash, I was sprawled out naked on Sledge's rumpled mattress with Rose crouched at the end of the bed gently spreading my slim legs.

"So pretty," she murmured, carefully petting my delicate pink petals before leaning forward to slither her tongue up inside my tender opening.

A surge of sensual energy traveled from my tummy straight up along my spine to short-circuit my brain. I hadn't expected her to go down on me, but I couldn't deny that her fluttering tongue felt fantastic!

"Ooooo! Rose!" I whined, gyrating uncontrollably as she eagerly licked and swabbed every exposed inch of my fragile vagina. "That feels fantastic! Ohhh, god! Uh-huh! Yes! Ohhhh! Rose! Yes! Eat my cunny!"

Despite all the stories that I'd heard around school about girls doing naughty stuff to other girls, nothing could have prepared me for the incredible sensations coursing through my twitching body. Rose's expert technique soon had me teetering on the verge of an outstanding orgasm.

"No more fooling around!" I heard Sledge declare impatiently. "I'm going to take her!"

Shivering with desire, I watched the lanky freak nudge Rose aside, set my slim calves on his craggy shoulders, and dragged the length of his manhood along my drooling folds. I was amazed that his cock was hard again already - and it looked even bigger than before! While Rose knelt beside me to coo words of encouragement, Sledge circled both paws around my trembling thighs and eased his shiny knob beyond the portal of my flaming labes. I immediately switched my attention to Rose's smiling face. A slight ripping sound echoed in my ears, followed by an odd itching sensation in my pubic area.

"Oh, god!" I yelped, unable to contain myself.

"I'm in!" Sledge announced proudly. "Damn, she's tight!"

"Fuck her, Sledge!" Rose trilled, lightly kneading my flattened jugs. "Pop her good!"

He sure was doing that! I had awareness that my lower body was being penetrated, but the minor discomfort made no difference. I liked it too much to notice!

"Yes! Yes! Yes!" I squealed, reaching above me to latch onto the headboard while I locked my ankles behind Sledge's craned neck and tossed my ass off the bed to meet his mighty thrusts. "Fuck my cunny! Please keep fucking my cunny!"

It was all a fanciful dream to me - the heavy breathing, the yearning moans, the incessant pounding that launched tremor after tremor throughout the rickety bed frame - even the orgasm that simmered deep in my belly seemed animated and wistful.

"Time to make a change, my precious flower child," Sledge snorted, abruptly pulling his thing out of my gooey hole.

I didn't understand. Strong hands elevated me above the bed, the room swung sideways, and I found herself perched on all fours peering down at the tangled forest of Rose's dark, velvety, twat fur.

"Jesus, Keri!" she purred, peering down at me over her heaving bosom. "I can't stand it anymore! You're driving me crazy! Eat my pussy, sweetheart!"

Before I could ask any questions, Sledge re-entered my ravaged quim, shoving my face straight into Rose's mushy snatch. I remember trilling happily at having my itching cunt filled again, and automatically stuck my tongue out to spear the panting woman's glistening pink portals.

"Eeeeeee! Yes!" Rose yelped, slapping her strong thighs shut around my burrowing head. "Oh, Sledge, baby! Give it to her! Ohhhhh! Gawwwd! Oh, Keri! Lick my clit!"

I knew where my own clit was located - Sledge's balls were currently smacking it as he clutched my undulating hips and picked up the pace -

but thanks to the feathery tufts of hair tickling my nostrils and the excessive amount of sugary fluid filling my mouth, I was having trouble locating Rose's pearl. It was only after Sledge really started banging me that I accidentally found my target and now that I had it, I didn't intend to lose it. Trapping Rose's pulsating marble between her lips, I created a clumsy suction and concentrated on rebounding my wobbling fanny off Sledge's drilling prick.

"Holy shit! I...I'm gonna make it, Rosie!" Sledge growled.

"Keep fucking her, baby!" Rose whooped. "She's eating my pussy soooo good!"

I was glad to hear that. I wanted to get Rose off before my own pending orgasm overwhelmed me. Whimpering shrilly into Rose's lathery cooze, I pressed my swaying tits against the mattress and ran my tongue across the writhing woman's swollen button. The added stimulation did the trick for Rose.

"Aiiiee! Yes! Yes! Ohhhh, Keri! Yesss! Lick me! Lick me hard! Aiiiee! I'm cumming! Oh, my

god! I'm cumming!"

"Awwwww! Uh-huh! Uh-huh! Ohhhhh, yes! Me, toooo!" I shrieked into Rose's dew-drenched ebony pelt. "Ohhhhh! It's wonderful! Oh, Sledge! Fuck me! Keep fucking my dirty cunny! I'm cumming!"

"Sorry, babe!" Sledge huffed. "I...I can't hold on! Agggghhh! I'm gonna unload!"

Riding the crest of my pleasure, I didn't stop to think about the danger of Sledge cumming inside me. Luckily, he managed to remove his spurting cock at the last minute and splatter my smooth, round assmounds.

"Do you get it now, sweetheart?" Rose cooed affectionately as I snuggled into her cushy bosom.

"Yes, Rose," I panted. "I finally understand what the sexual revolution was all about!"

It was true. I had been transformed into revolutionary and I couldn't wait to show all those high school boys what I had learned. 18

Intern  
Of The  
Month

Kerli

**Y**ou don't know how happy I am now that I got picked to be the new intern of the month! I mean, I was cheerleader of the month last year when I was a senior at Hinckley High, but that was nothing like this! Mainly 'cause I got to take off my clothes this time, ha ha! But seriously, really I'm all excited because now I know that guys must think I'm pretty, even in all my private places. And they're all going to be looking at me. Gosh, now I'm very nervous, I just hope they like me!

Yes,  
Kamila, we  
like you!  
We really  
like you!

This girl  
is a real  
work  
of art!

**M**y nips grew like crazy last summer and now they look awesome, don't you think? Plus they're super-sensitive! All I have to do is touch 'em and I cum. My friend Kiki didn't believe me, even after I showed her, so I told her to try it herself. And she did, only she used her tongue! She sucked my nipples so hard that I creamed my jeans right then and there. Hey, if this is what growing up is like, I am so there!

who wouldn't?

**W**hen I'm out doing my chores on my aunt's farm, all I can think about is how good my pussy feels, what with my work jeans rubbing on my clit and stuff. I get all hot and sweaty, and afterward I'm so horny I just have to play with myself! First I twiddle my nips till they're way hard. Then I kind of pinch my pussy lips until I'm drooling (from there, I mean.) When I can't stand it anymore I start rubbing on my clit, and it only takes a minute or two 'til I cum way hard!
